

FOR IMMEDIATE RELEASE

Diageo Continues Energy Procurement and Price Risk Management Services with RMI Consulting, Inc.

Chicago – May 1, 2009 – RMI Consulting, Inc. (RMI) has renewed its contract to provide energy procurement and price risk management services to **Diageo**, the world's leading premium drinks business with brands including Guinness, Smirnoff, and Baileys.

For all Diageo facilities in the U.S. and Canada, the contracted services include risk assessment, budget development, procurement strategy development, identification of energy cost savings opportunities, supplier selection and contract execution. RMI began working with Diageo in May of 2007.

RMI (www.riskmgmt.net) has over 20 years of practical experience advising commercial companies and public utilities on managing energy commodity exposure and is a leader in energy risk management consulting and brokerage.
